## BACKGROUND

With reference to direction of Hon'ble Supreme Court of India, IRDAI undertook a comprehensive review of the extant Arbitration Clause prevalent across various lines of business in the General Insurance Industry. After due consultation with stakeholders, IRDAI is of the view that the extant Arbitration Clause is limited in scope and need to be amended. It was also viewed that the individual policy holders may be kept out from the provisions of Arbitration Clause as they have alternative forums of Insurer's Grievances System, such as Insurance Ombudsman and the Consumer Courts besides the Civil Courts available for redressal of their grievances. Accordingly, IRDAI brought out new guidelines of arbitration. The proposed webinar will cover the following aspects and keep the insurance personnel update about the changes in the arbitration law applicable to insurance industry.
