

College of Insurance

Insurance Institute of India, Mumbai

Virtual Training Session on Marine Cargo Insurance (CVT-MCI), (On: 19th December, 2024)

Program Concept and Objectives:

Marine Cargo Insurance or the Insurance of goods in transit is guided by many international laws and follows time-honoured concepts. Though the guiding principles remain unchanged, there has been considerable evolution in the practices of Marine Insurance with the increasing trade between various nations by sea, air, land and inland waterways. In line with fast evolving practices in international trade, concepts like Inco-terms has also evolved. There is also demand for different policies.

College of Insurance has designed this course so that participants can have a deep understanding of the policy wordings, clauses and practices related to the insurance of Cargo.

COI has created '*Virtual Training (CVT) Rooms*' to conduct training program in a cost-effective manner for participants to equip themselves academically at their respective locations.

Key Takeaways from the Program:

- Discuss risk factors associated with the transportation of goods
- Compare Cargo Clauses A, B and C and discuss exclusions
- Understand special cargo, and special clauses/ conditions
- Understand Inco terms and its relevance for better underwriting
- Appreciate challenges due to war, strikes, terrorism and other forms of commotion
- Understand the methods of packaging and their impact on Cargo insurance
- Appreciate legal and practical aspects of general average
- Discuss challenges in processing Marine Cargo Claims
