

College of Insurance

Insurance Institute of India, Mumbai

Virtual Training Session on Understanding Annual Budget for India 2024-25 (Post Budget Analysis) (CVT-UAB) (On: 12th February, 2025)

Program Concept and Objectives:

Annual general budget of the central govt. is an attraction for the various segment of the economy. Budget gives signal about strategy pursued by government for implementing govt-sponsored socio-economic programs and funds allocated for that purpose. The implications of budget for various section of the society and institutions is matter of study. Overall Tax proposal suggested for various section of the economy and its likely impact on the individual, family, firms, corporate sector and financial intermediaries is matter of great concern.

In this context, the College of Insurance has designed this program to provide a stronger understanding of budget and its implication to insurers, banking and others who involved in managerial roles.

COI has created '*Virtual Training (CVT) Rooms*' as a cost- effective mechanism for participants to equip participants academically at their respective locations.
