

Classroom Training Session on
Crop Insurance : Focus PM Fasal Bima Yojana (CT)
6th – 7th May, 2025

Program Concept and Objectives:

Crop insurance is a vital risk management tool that protects farmers against the financial losses arising non-preventable natural risks. India's journey in crop insurance has witnessed significant evolution. Pradhan Mantri Fasal Bima Yojana (PMFBY) launch in 2016, is one of the flagship scheme of the Government of India. It seeks to provide comprehensive insurance coverage to farmers from pre-sowing to post-harvest for enhancing their resilience and contributing to agricultural sustainability.

College of Insurance has designed this training on "Crop Insurance – Focus: Pradhan Mantri Fasal Bima Yojana" to provide a holistic understanding of crop insurance with a specific focus on PMFBY, its operational dynamics, challenges, and technological advancements.

Key Takeaways from the program:

- To familiarize participants with the history and evolution of crop insurance in India and Risk associated with agriculture activities.
- To provide an in-depth overview of the PMFBY and its operational modalities.
- Special Features of Revamped Pradhan Mantri Fasal Bima Yojna.
- To discuss the challenges in loss assessment and claim settlements under crop insurance schemes.
- To elucidate the roles and responsibilities of stakeholders in various risk-sharing models.
- To highlight the need for digitalization and technological advancements in crop loss assessment processes.

Participant Profile:

The program is designed for professionals from insurance companies, government agencies, agricultural extension officers, academicians, and other stakeholders involved in the implementation and administration of crop insurance schemes.
