

College of Insurance Insurance Institute of India, Mumbai Virtual Training Session on Compliance Management for Principal Officers of Corporate Agents (Including Banks) (CVT-CMPO), (On: 14th August, 2024)

Program Concept and Objectives:

The Principal Officer has a critical responsibility to discharge as he/she is exclusively appointed to supervise all the activities of the Corporate Agent. The scope of the activities is varied starting from Implementation of board approved policy, procuring insurance business managing conflicts of interest, regulatory disclosures and compliance, working out arrangements with Insurers for distribution of products, maintaining records, servicing of policyholders while ensuring strict adherence to code of conduct. The one thread which runs through all these activities for their smooth running is regulatory compliance, which requires thorough knowledge of meaning and rationale of the regulatory provisions covering all the activities.

Keeping the above in view the '3 hour Virtual Training' is designed to equip the aspiring and existing Principle Officers with comprehensive knowledge of the regulatory requirements governing all the activities of the Corporate Agents including Banks.

COI has created '*Virtual Training (CVT) Rooms*' to conduct training program in a cost-effective manner for participants to equip themselves academically at their respective locations.
