### Classroom Training Session on Understanding ESG and its implications for Insurance companies (CT-UESG)

(From: 22<sup>nd</sup> to 23<sup>rd</sup> July, 2024)

#### Program Concept and Objectives:

Environmental, Social, and Governance (ESG) factors have become integral components in assessing the sustainability and long-term performance of businesses. The well governed companies become good corporate citizens and work towards giving back to the Society where they have roots and then go onto evolve and address global environment concerns. While the sense of urgency felt on the Environment, with Global Warming resulting in a threat to global existence catapulted Environment on the top of the priority list, it should not however be concluded that the Social and Governance factors can be glossed over. For Insurance companies in India, incorporating ESG considerations is essential to navigate evolving market dynamics, regulatory expectations, and stakeholder demands.

The two day in person class room session aims to provide a comprehensive understanding of the emerging scenario of ESG factors, exploring the global and regional context of ESG Integration in the Insurance Industry. It also deals with evolving regulatory framework, direct and indirect impact, the various metrics, stakeholder engagement and finally Strategic Integration.

#### Key Takeaways from the Program:

The program participants will gain the knowledge and understanding of

- Global developments leading to ESG prominence
