

College of Insurance

Insurance Institute of India, Mumbai

Classroom Training Session on Corporate Governance and Regulatory Compliance in Insurance (CT-CG&RCI), (From: 29th to 30th July, 2024)

Program Concept and Objectives:

The recent reforms and the regulatory changes in the Insurance sector, aimed at enhancing ease of doing business and deepening the insurance penetration, have placed more discretion and flexibility at the hands of Insurance Companies. This regulatory stance therefore clearly expects Regulated entities to accept enhanced responsibility for good corporate governance and scrupulous regulatory compliance so that the interests of stakeholders are protected at all times while achieving orderly growth of the Insurance sector. The Board messaging, Governance structure, policies, standards, systems and processes established go onto influence the Risk as well as Compliance culture across the organization which alone would create a sustainable success for itself, the society and the Industry.

With the above background and the imperative need of corporate governance and regulatory compliance for Insurers in mind, the College of Insurance is conducting a two days training session on the subject.
