

# College of Insurance Insurance Institute of India, Mumbai Virtual Training Session on Corporate Social Responsibility for Insurance Industry (CVT-CSRII) (On: 22<sup>nd</sup> August, 2024)

## Program Concept and Objectives:

Corporate Social Responsibility (CSR) is a buzz word that tells the corporate sector to perform the business in responsible way and follow the sustainability principle in the functioning. As per guideline of CSR, it's addressing and reporting is mandatory. An organisation should formulate the CSR Policy and implement it for inclusive development of its stakeholders. The provisions of Act and Rules relating to CSR, practical implementation, experience of some Indian and foreign organisation about CSR, performance evaluation and statutory reporting are vital aspects that must be known to head of the organisation.

In this context, the College of Insurance has designed this program to provide an in- depth understanding of CSR to insurers and other sector personnel who are involved in managerial roles.

COI has created '*Virtual Training (CVT) Rooms*' to conduct training program in a cost-effective manner for participants to equip themselves academically at their respective locations.

## Key Takeaways from the Program:

The program is designed to provide insights to the participants in the following areas:

- Learning the importance of CSR and provisions in the Act and Rules (Companies Act 2013 and CSR Rules 2014).
- Understanding and learn experience of international practice and guidelines relating to CSR.
- CSR implementation process and challenges while implementing it.
- Exploring the CSR activities suitable for the organisation.
- Learning to develop CSR policy, planning of CSR policy and its monitoring and reporting in the annual reports of the company and government department.

## Participant Profile:

Practitioners in insurance, PSUs, corporate firms, organisation and academicians and related areas, working in the compliance and human resources departments, who are looking for developing CSR policy and its implementation, skill set required for building a responsible organisation.
