### Classroom Training Session on Liability Insurance

#### Focus - Financial Lines (CT-LIF)

(From: 17<sup>th</sup> to 18<sup>th</sup> September, 2024)

#### Program Concept and Objectives:

In the recent past, newer risks have been emerging in the local and global financial markets at a fast pace. Many of them lead to new legal challenges, new ways of looking at existing laws, and consequent legal developments. Due to the high stakes involved, corporates are nowadays more concerned about financial risks and are seriously considering insurance as risk hedging mechanism. Indian corporates also are increasingly finding the need to safeguard the reputation of their businesses and their employees against claims situations, and potential exposure to costly litigation. In this context, they are increasingly understanding the importance of insurance as an effective risk-management mechanism. This situation has directly contributed to the popularity of Financial lines of Liability Insurances.

College of Insurance has designed this program to improve the professional capabilities of Liability insurers, by providing them with a strong theoretical framework on the Financial lines of Liability insurance.

#### Key Takeaways from the Program:

The program is designed to empower participants in the following areas:

- Firming up of the theoretical framework of Liability insurance
- Developing a critical appreciation of the concepts related to Financial Liability lines
- Understanding the issues and challenges in Directors & Officers Liability Insurance
- Appreciate the nuances of Professional Indemnity insurances
- Learning the basics of Crime/ Fidelity insurances
- Creating awareness on a broad range of claims scenario
- Empowering insurers in making insured understand how to select the Liability policies/ coverages appropriate for their businesses.

#### Participant Profile:

The program is designed for serious minded practitioners who have interest in Liability Insurance. Also people working in Junior/ Middle management levels in marketing, underwriting and claims departments in Insurance companies, brokers, and insurance buyers would benefit from these programs.
