## **IC-36 Health Insurance Claims Management**

### **Original Text in book**

#### **Chapter.6, Page no. 234**

##### **2. ICD-10 Procedural Code Sets (ICD-10-PCS)**

ICD-10 procedure code set (ICD-10-PCS) is another coding methodology used for reporting services and procedures in outpatient and office settings. ICD-10-PCS was developed and is maintained by Centers for Medicare and Medicaid Services (CMS). IRDA mandates the use of this coding system for claims data submission although it is not fully implemented in India.
